

### UVC30-CP900-BYOD Meeting Kit for Small and Huddle Rooms

Yealink UVC30-CP900-BYOD meeting kit is dedicated for your small and huddle rooms that ensure the excellent video and audio experience with lower cost. Maximally optimize the user experience via one cable, this meeting kit is not only plug-and-play, but also makes you feel free to have all kinds of UC meetings, including Teams, Skype for Business, Zoom, etc. Meanwhile, capable of charging laptop via Type-C cable entirely assures the endurance of your own laptop.

#### Key Features and Benefits

##### All-in-One Design, Plug and Play

Integrate audio, video and HDMI output together into one Type-C cable. Whoever walks into the room, simply connects one cable to your laptop and no extra driver installation is required.

##### Long Endurance

Capable of charging laptop via Type-C cable, users can take a long meeting even without their own power adapters.

##### Cost-effective

Reasonable price for audio and video conference and collaboration, especially suitable for the enterprise with lots of huddle rooms.

##### Simple Deployment

Simplify your deployment that you only need to connect video and audio devices to BYOD box, dramatically reducing your deployment time.
